sn 858 N858CY

This 1989 BAe J32 is an ideal executive turbo-prop with a 12 seat configuration. Serial Number 858 is equipped with an Enhanced Performance Kit, belly pod, refreshment center, AirCell, Garmin GPS, color radar, TAWS A, TCAS, potty, and more!

sn 865 N865CY

N865CY is the sister ship to 858. While very similar in equipment and cosmetics, N865CY is configured with 10 Executive Seats rather than 12. If you've not experienced an Executive Jetstream, you really must see this aircraft before you buy anything else!
